Wildlife Tracking & Nature Study GEAR LIST

New, used or borrowed all work equally well. We will ensure that gear will not be a barrier to your participation, let us know if we can help set you up with needed clothing or equipment.

REQUIRED ITEMS

- Backpack--sturdy and roomy enough for lunch, field guides, journal, water, etc.
- Water bottle(s) 2 quarts total capacity
- Small journal & writing implement
- Measuring device (measuring tape or small ruler)
- Sturdy sneakers or hiking boots for Autumn & Spring
- Thick Soled Boots (mid-calf or higher w/ removable liners preferred) for Winter
- Rain gear: hooded jacket, pants & waterproof boots/shoes
- Socks: wool for cold weather + extra pair in backpack
- Hat, mittens/gloves & face covering for cold winter field days
- Warm sweater or fleece zip up/pullover (non-cotton/wool)
- Wind resistant winter jacket
- Non-cotton layers including long underwear
- Snowshoes for use in deep snow
- Medications you may need

SUGGESTED ITEMS

- Headlamp (+xtra batteries)
- Bandana
- Matches/lighter
- Light-weight shoes or slippers for classroom evenings
- Your favorite tracking or naturalist field guide(s) (WPP has books to lend)
- Trekking poles--we are often off-trail and on uneven terrain

FOR REMOTE WEEKENDS

- Tent or hammock
- Sleeping bag
- Sleeping pad
- Musical Instrument (*optional*)
- Snacks to share :) (*optional*)

Unplugged Adventure

We limit phone use to keep us present in the field & invite you to join us!
